**KEARNEY, MO.**

We are having very cold weather  
at present, and there is a great deal  
of sickness in our community and  
several deaths. One of the saddest  
was that of John H. West, the son of  
Mr. and Mrs. W. T. West. He was  
taken to Kansas City, to undergo an  
operation for appendicitis, and in a  
few days had to have another opera-  
tion performed. He never rallied  
from the second operation. It seemed  
sad to think he had to be taken away  
in the bloom of life, but we know the  
Lord doeth all things well.

The relatives and friends of Sam  
Willett surprised him on Sunday, Jan.  
9th by celebrating his 63rd birthday.  
He was greatly surprised to see them  
coming with their merry greetings  
and baskets laden with an abundance  
of good things to eat. The day was  
spent in social talk and music. There  
were 34 present. The day will long  
be remembered by all present.

J. T. Matthews and family, and Miss  
Eunice Willett spent Sunday with  
Sam Willett and family.

Miss Nellie Gragg, who has been  
quite sick is greatly improved.

If some of you Herald readers know  
the address of Mrs. Sam Averitt, will  
you please send it to us.

Hello, Garland Kinnaird, how are  
you enjoying the winter days in the  
good old state of Tennessee.

Mrs. S. S. Willett again.

Hello, Hazel Warren, why don't you  
ever write to your cousins?

Are still looking for Mr. and Mrs.  
John Willett to make us a visit in the  
near future.

Eunice and Edna Willett.

Will Interest Readers of the Herald

Those having the misfortune to suf-  
fer from backache, urinary disorders,  
gravel, dropsical swellings, rheumatic  
pains, or other kidney and bladder  
disorders, will read with gratification  
this encouraging statement by a Cooke-  
ville man.

S. S. Stanton, Registrar, Sparta St.,  
Cookeville, says: "I had awful at-  
tacks of kidney complaint. My back  
pained me constantly and I had sharp  
twinges through my loins when I  
stooped or lifted. My back was sore  
and lame, mornings, and I was also  
subject to nervous and dizzy spells.  
The kidney secretions were at times  
profuse, then again scanty. When-  
ever I caught cold it settled on my kid-  
neys, making the backache worse.  
When I read about Doan's Kidney  
Pills, I got some at Neal & Staley's  
Drug Store. They soon relieved the  
pains in my back and put my kidneys  
in good shape."

Price 50c at all dealers. Don't  
simply ask for a kidney remedy—get  
Doan's Kidney Pills—the same that  
Mr. Stanton had. Foster-Milburn Co.,  
Props., Buffalo, N. Y.

**SYMPTOMS**

Slight Symptoms Sometimes Preseage  
Serious Results

Do you feel tired, have you a sal-  
low complexion, constipation, head-  
ache, bad breath, sleeplessness or  
circles around your eyes? If so, you  
are undoubtedly suffering from some  
liver complaint.

Perhaps you don't feel very badly  
now, but delay is dangerous. To al-  
low your liver to continue out of  
order, is to invite a serious chronic  
illness.

Whenever you have the slightest  
symptoms of liver trouble, stop it im-  
mediately. You can do it harmlessly  
and mildly by taking **Liv-Ver-Lax**,  
the natural vegetable compound that  
is replacing calomel everywhere. It  
has all the effectiveness, not the ef-  
fect of calomel. Insist on getting the  
original **Liv-Ver-Lax**, bearing the  
likeness and signature of L. K. Grigs-  
by, which is guaranteed to give satis-  
faction or money refunded. For  
sale at Wylly's Drug Store.

**HARROGATE**

Dear Editor:—Please allow me  
just a little space in your paper, as  
some of the people wanted to know  
about the historic place of Cumber-  
land Gap.

I visited it on Sunday, the sun was  
shining, very bright so one could see  
very well. The sides of the moun-  
tain are ten hundred and fifty feet  
high, and look to be straight up. On  
climbing the mountain I found the  
rifle pits that were used during the  
war still present. I also found a  
monument marking the trail of Nap-  
iel Boone. The Gap was for many  
years the avenue through which the  
commerce passed on its way from  
the older states to the newer states.  
During the Civil war the Gap was  
the strategic point for the possession  
of which the mighty armies contend-  
ed, and many brave soldiers perished.  
It was the key to this entire sec-  
tion, occupying a central position,  
and being a gate way from the val-  
ley of East Tennessee to the blue-  
grass regions of Kentucky.

I will close for fear of taking over  
my share of space.

Whitley Platt.
